In a tragic story of romance over deceitful politics, the sensuous singer Tosca and her artist lover Cavaradossi conspire to conquer the malicious forces determined to wedge them apart. Moving through the shadows of Rome's churches and castles, they plot to undo the wicked intentions of their nemesis, the lecherous police sergeant, Scarpia, in Puccini's masterful love story, rich with captivating arias and orchestral drama.

The young and naïve firmly subscribe to the doctrine that everything occurs for the best, no matter what, in their seemingly perfect existence. With constant challenges of this doctrine through a round-the-world romp, this cautionary and wacky tale is drenched in satire and wit. Featuring an extraordinary score by the unparalleled Leonard Bernstein, Candide is a treat for all the senses. Celebrate the 100th birthday of Mr. Bernstein with this Palm Beach Opera production.

In Mozart's tuneful and infectious masterpiece, Figaro is planning to marry his bride-to-be, Susanna, but the wedding day goes off-script thanks to the Count's lusty desires. Recruiting the aid of the Countess and a lovesick youth to thwart the Count's schemes, Susanna outsmarts them all in a crazy day of disguise, duplicity, and merry mix ups that occur all the way to the altar.

Join us for an exclusive celebration of opera, elegance, and entertainment. This event is an extraordinary evening of glamour, artistry, champagne, and a sumptuous three-course dinner.

Don't miss the chance to enjoy an intimate concert by a globally celebrated artist, soprano Sondra Radvanovsky. This internationally beloved artist is one of the most prominent sopranos of her generation.
